This classic text, known for its authoritative scholarship, clarity, and comprehensive coverage, explores the foundations of our national political system and shows how the fundamental features of our government influence the lives of all Americans.

American government (1986 edition) | Open Library

I adopted Jillson's American Government: Political Development and Institutional Change because of its in-depth coverage of political history, Supreme Court cases, and basic facts. I particularly like the first three chapters of the seventh edition, on political principles, the Constitution, and federalism, which Jillson takes as seriously as ...
