The drowsy water rats; There we've hid our faery vats, Full of berries And of reddest stolen cherries. Come away, O human child! To the waters and the wild With a faery, hand in hand, For the world's more full of weeping than you can understand. Where the wave of moonlight glosses The dim grey sands with light. Far off by furthest Rosses

7. Which is better: washing your hands with soap and water or using hand sanitizer? In general, both handwashing with soap and water and hand sanitizer, when practiced/used correctly, are highly effective at killing most germs and pathogens. Soap kills the coronavirus by destroying the outer shell that protects it.
