of our time comes an extraordinary story of exile and a celebration of an irrecoverable past. A fatal medical diagnosis in 1991 convinced Edward Said that he should leave a record of where he was born and spent his childhood, and so with this memoir he rediscovers the lost Arab world of his early years in Palestine, Lebanon, and Egypt.

As a result, the publication of Said's memoir, *Out of Place*, is a particularly significant event. This is a fascinating account of the personal development of a critic and thinker who has straddled the divide between East and West and in the process has redefined Western perceptions of the East and of the plight of Palestinian people.
